BAGAN

Your first sighting of this remarkable ancient city is breathtaking. Thousands of Buddhist temples are spread across a sun-baked plain, some vast and ornate, others in evocative ruins. Watching the sun set over the temples is mesmerising. You can even embark on a champagne sunrise balloon ride over Bagan to view this ancient site and its glistening pagodas. If you would like to linger longer, we can arrange a hotel.

MANDALAY

Myanmar's second largest city is its cultural and spiritual heartland and once the setting for King Mindon's magnificent court. Glimpse the old city along dusty lanes lined with teak houses. Sample an array of food at stalls and cafés in bustling Zegyo Market, and admire the view from Mandalay Hill, dotted with temples and pagodas.

THE PERFECT DESTINATION

Myanmar is bursting with exciting destinations. These are just some of the captivating places you can visit on your river cruise.

YANGON

The gateway to the country for most international visitors, Yangon offers an excellent introduction to Myanmar. Set on the Yangon River, this colourful city is a melting pot of diverse cultures and customs. It is home to the renowned, jewel-encrusted Shwedagon Pagoda, and to Belmond Governor's Residence, a tranquil garden hotel.

AYEYARWADY RIVER

The heart of Myanmar life is its main river, along whose mighty length unfold scenes of timeless cities, venerated shrines and day-to-day living. Small fishing boats jostle with barges, women lay out washing to dry, blooming shrubs give way to dense forest. Look out for kingfishers, egrets and the rare Ayeyarwady dolphin.

BHAMO

Reached by river through steep gorges and past dense jungle, Bhamo is an old trading port in the far north of Myanmar, close to the Chinese border. It bustles with merchants dressed in colourful attire and people from the nearby Shan, Kachin, Lisu and Palaung hill tribes, who come to trade in the popular market.
